

Prayer Concerns

Todd Becker Foundation Evangelistic Outreach - Praying for wisdom for following up with those who responded.

Keith Christie - He fell Tuesday (4/2) and is now admitted to the hospital. He isn't doing well. Visitors are not advised at this time. Please pray for healing and comfort for Keith and the family during this time of uncertainty.

Diane M. - Her rash is in the process of drying up and diminishing, however, she is experiencing intense, burning nerve pain deep into the areas where she had her rash as well as some surrounding areas. She also had negative side effects from the antiviral medication causing itchy welts/hives in other areas of her body. As of Monday, with treatment, the hives have diminished. Please pray that her inflammation and nerve pain continues to rapidly decline and soon be restored to normal. Also pray that her skin heals without scarring.

David and Joylynn (Jones) DeFord's 13 year old nephew, Devin Jelsma - Devin's scans remain clear. He and Heather are almost done with their chemo, so please pray that their body continues to respond so well.

Conquer Series - Please continue to pray for this group and their leader. May many lives and families be changed through the Holy Spirit because of this phenomenal tool.

Tom Fitzpatrick - He is on dialysis 3 times per week (3 hours per time) here in Algona. Please pray for Tom as he undergoes this treatment.

The Voice of the Martyrs - Turkmenistan - Pray for an intelligence officer whose heart was softened to the gospel by the faithful witness of one of his captives.

Persecuted Christians - Continue to pray for their safety and their faith in the Lord.

SMILE & MOMS2MOMS - Pray for Juanita Stevens and those involved with these groups.

(If you have prayer requests, please let Jocelyn know.)
