

Prayer Concerns

Todd Becker Foundation Evangelistic Outreach - Praying for wisdom for following up with those who responded.

Glenda VanHaften - Glenda continues to heal at home. She will have scans done this week as a follow up to see how she is doing. Please continue to pray for her recovery.

Diane M. - As of Monday, she has not had any notable improvement since last week's report. She is still dealing with excruciating nerve pain, areas with abnormal sensations due to numbness, inflammation, and itchiness. Prayers are greatly appreciated for healing and restoration.

Keith Christie - He is now at Good Samaritan. He will reside there until he regains his balance, so once this happens he will be able to go home. Please continue to pray for his recovery, balance, and that he will be able to go home soon.

Laura (Tom Fitzpatrick's daughter) - She will be having surgery to remove her gallbladder, so the doctors are focusing on her gaining strength to have the surgery. Please pray that her strength increases, for encouragement and that God gives the doctors wisdom as they care for her.

David and Joylynn (Jones) DeFord's 13 year old nephew, Devin Jelma - Devin's scans remain clear. He and Heather are almost done with their chemo, so please pray that their body continues to respond so well.

Conquer Series - Please continue to pray for this group and their leader. May many lives and families be changed through the Holy Spirit because of this phenomenal tool.

Tom Fitzpatrick - He is on dialysis 3 times per week (3 hours per time) here in Algona. Please pray for Tom as he undergoes this treatment.

The Voice of the Martyrs - Bhutan - Pray that God's Word will spread throughout Bhutan, as the government tries to restrict widespread Bible distribution.

Persecuted Christians - Continue to pray for their safety and their faith in the Lord.

SMILE & MOMS2MOMS - Pray for Juanita Stevens and those involved with these groups.
