

Prayer Concerns

Tina Ziemet (Tiffany Depew's Mother) - Please pray for dying grace for Tina and that the family is comforted during this time of losing their loved one.

Ray Neswold - Ray was hospitalized in Mason City with heart issues, but has returned home for the time being. He is undergoing surgery on Tuesday (2/20) and the doctor will determine whether he needs a valve repair or replacement. Please pray that God gives the doctors wisdom as they operate, comfort for Ray and Sue, and that Ray's surgery goes well.

David and Joylynn (Jones) DeFord's 13 year old nephew, Devin Jelsma - Devin had a scan and everything looks good. He has 3 more chemo treatments left. Please pray his side effects are minimal to none. Heather was sick, so she was not able to receive her chemo treatment. Please pray that she heals quickly, so she can resume her chemo treatments.

Laura (Tom Fitzpatrick's daughter) - Continued prayers for her recovery and that God gives her peace and comfort during this time.

McQueen Family - Please continue to keep Billi Jo and the family in your prayers as they grieve the loss of their loved one.

Conquer Series - Please continue to pray for this group and their leader. May many lives and families be changed through the Holy Spirit because of this phenomenal tool.

Wednesday, April 3rd: Todd Becker Foundation Evangelistic Outreach - For the upcoming evangelistic outreach, please pray for participation by each local church in actively promoting the event, encouraging their people to reach out to family, friends, co-workers, and neighbors. (Luke 10:29)

Tom Fitzpatrick - He is on dialysis 3 times per week (3 hours per time) here in Algona. Please pray for Tom as he undergoes this treatment.

The Voice of the Martyrs - Tajikistan - Pray that as corruption and the opium trade compound the country's difficulties, Tajiks will seek stability in Christ.

Persecuted Christians - Continue to pray for their safety and their faith in the Lord.

SMILE & MOMS2MOMS - Pray for Juanita Stevens and those involved with these groups.
